LEADERSHIP DEVELOPMENT | NETWORKING | MENTORSHIP | YOUTH EMPOWERMENT

TeamWomen is a premier professional women's organization deeply committed to developing future generations of women in leadership. Membership includes women from the C-suite to young professionals who work in a variety of key industries including business, corporate, sports, and civic organizations. Each year, we inspire women to make meaningful connections and rise together through 40 leadership development events, as well as our Annual Leadership Conference, Young Professionals WaveMaker Awards, and Empower Gala.

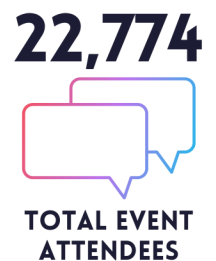

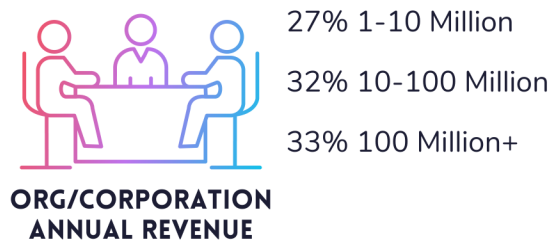

Our 6 and 12-month Mentor Program provides one-on-one opportunities for professional development and growth in reaching one's full potential, and Empower Leadership Academy allows us to instill lifelong confidence and leadership skills in girls from 5th through 12th grade.

TeamWomen is proud to support women from the classroom to the boardroom.
